## **1. GENERAL INFORMATION FOR BIDDERS**

The Northern Cape Provincial Treasury (NCPT) was established in terms of section 17(1) of the Public Finance Management Act (Act 1 of 1999). NCPT seeks to appoint service providers who will render printing services for departmental publications for a period of two years.

The NCPT will determine which service providers ("bidders"), if any, are appointed in response to this request for submission of proposals and reserves the right not to appoint the highest scoring bidder based on sound justification in line with the Preferential Procurement Policy Regulation (2011).

NCPT intends to split the bid between two service providers, one for the provision of Provincial Treasury Oversight Publications and one for the Provincial Treasury Departmental Publications. All bidders should submit price proposals for both scopes of work.

All bidders who have current contracts within Northern Cape's Provincial Government should clearly disclose this matter in their bid document and indicate that they have additional capacity and capability to execute all contracts if they are found to be the preferred bidder.

### **1.1 GENERAL TERMS**

This bid is issued and will be evaluated in terms of the Public Finance Management Act 1 of 1999 (PFMA), the Preferential Procurement Policy Framework Act 5 of 2000 (PPFPA), the Preferential Procurement Regulations, 2001 (PPR), practice notes and guidelines issued by the National Treasury and the special conditions referred to here under.

Parties that wish to submit proposals are required to indicate that they are willing to accept the Specific and General Conditions and Procedures of the NCPT. Please read the General Conditions of the bid carefully prior to submitting your proposal.

#### **1.1.1 CONFLICT OF INTEREST**

Service providers are required to provide services that are professional, objective and impartial. Service providers must ensure that there is no conflict of interest between existing assignments, obligations and responsibilities to other clients and the services set out in the TOR. In the event of any uncertainty in this regard, full disclosure in the submitted proposal should be considered. Non-disclosure of a conflict of interest will be ground for termination of the contract.

### 1.1.2 CONFIDENTIALITY AGREEMENT

The successful service provider may have access to confidential data or information. The appointment of a successful bidder is subject to that bidder agreeing to the contents of, and signing, the NCPT's standard Non-Disclosure Agreement.

### 1.1.3 DISCLAIMER

The issue of this bid is subject to the disclaimer set out below:

The Northern Cape Provincial Treasury reserves the right to withdraw this bid at any time, without prior notice and without liability to compensate and/or reimburse any party.

Each bid participant must provide **1 original bid document, four copies of bid document and 3 samples of similar publications**, including all the documentation referred to in bid evaluation criteria paragraph. All submitted proposals will become the property of the NCPT, and will not be returned. Receipt of all proposals will be recorded in a register at the point of receipt. All copies of the proposal must be signed and initialled on each page and dated in black ink by the bidder or authorized representative of the joint venture or consortium or partnership or trust duly appointed and indicated in a letter appended to the bid document.

## CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (NCP) must form part of all bids<sup>1</sup> invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).<sup>2</sup> Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
  - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
  - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This NCP serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (NCP 9) must be completed and submitted with the bid:

<sup>1</sup> Includes price quotations, advertised competitive bids, limited bids and proposals.

<sup>2</sup> Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
