

The Northern Cape Provincial Treasury hosts the 2024 Technical Committee for Finance Lekgotla

The Northern Cape Provincial Treasury hosted the 2024 Technical Committee For Finance (TCF) Lekgotla at the Protea Hotel in Upington.

The two day Lekgotla took place from 18 - 19 June 2024 and various Heads of Treasuries and finance administrators across all nine provinces were in attendance.

The intention of the Lekgotla was to technically advice on the Provincial Fiscal Framework such as the equitable share, economy and conditional grants as well as various sets of elements contributing to institutional policies and to exchange ideas on how to construct sustainable municipalities across the country.

This year's Lekgotla convened under the theme "Setting an agenda for the Budget Council in the 7th Administration". Resolutions taken from the Lekgotla are implemented by National Treasury and Provincial Treasuries.

Delegates also took the opportunity to bid the outgoing TCF Chairperson, Ms Malijeng Ngqaleni for her tireless efforts during her tenure as she will be going on retirement soon.
